Roast the Veg

Preheat your oven to 220°C/200°C fan/gas mark 7. Chop the **sweet potato** into 2cm chunks (no need to peel). Trim the **carrot** (no need to peel). Cut into roughly 1cm wide, 5cm long batons. Pop the **sweet potato** and **carrot** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper**, then toss to coat. Spread out in a single layer. **TIP:** Use two baking trays if necessary. When the oven is hot, roast on the top shelf until golden, 25-30 mins. Turn halfway through.

Boil the Rice

Meanwhile, pour the **water for the rice** (see pantry for amount) into a medium saucepan with a tight-fitting lid. Stir in the **rice** and ¼ **tsp salt** and bring to the boil. Once boiling, turn the heat down to medium and cover with the lid. Leave to cook for 10 mins, then remove the pan from the heat (still covered) and leave to the side for another 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).

Toast the Coconut

Meanwhile, heat a large frying pan on medium-high heat (no oil). Once hot, add the **desiccated coconut** and cook, stirring regularly, until lightly toasted, 2-3 mins. **TIP:** Watch it like a hawk as it can burn easily. Transfer to a bowl, then give the pan a quick wipe and return to a medium-high heat with a drizzle of **oil**.

Fry the Chicken

Once the **oil** is hot, add the **chicken** to the pan and season with **salt** and **pepper**. **TIP:** Notice a stronger smell from your chicken? Don't worry, this is normal due to packaging we use to keep it fresh. Fry until golden brown on the outside and cooked through, 8-10 mins. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging. It's cooked when no longer pink in the middle.

Blend the Sauce

Meanwhile, trim and thinly slice the **spring onion**. When the **sweet potato** and **carrot** have roasted, add to a blender with the **creme fraiche** and **water for the curry** (see pantry for amount) and blend until smooth. Stir the **blended sauce**, **korma curry paste** and **chicken stock paste** into the **chicken** and simmer until thickened, 2-3 mins. Season with **salt** and **pepper**. Once the **rice** is done, fluff up the grains with a fork and stir in the **toasted coconut**.

Serve

Share the **coconut rice** between your serving bowls. Spoon over the **chicken korma**. Sprinkle over the **flaked almonds** and **spring onion** to finish.

Enjoy your meal!
