Salt	2.26 g

Allergens

Egg, Milk, Sulphites

Always check the product labels for allergen information.

Get Prepped

Trim the root and dark green leafy part from the **leek** and discard. Halve lengthways, then thinly slice.
Drain and rinse the **butter beans** in a sieve.
Peel and grate the **garlic** (or use a garlic press).

Time to Fry

Heat a drizzle of **oil** in a large saucepan on medium-high heat.
Once hot, add the **butter** to the pan (see pantry for amount). Once melted, stir in the **leek** and **mushrooms**. Season with **salt** and **pepper**.
Cook until the **leek** has softened and **mushrooms** have browned, 6-8 mins, stirring occasionally.

Add the Flavour

When the **veg** has softened, add the **garlic** and cook until fragrant, 30 secs. Pour in **cider vinegar** and cook until evaporated, 1 min.
Stir in the **creme fraiche**, **chicken stock paste** and **water for the sauce** (see pantry for amount), then bring to the boil.

Cook the Chicken

Stir the **chicken thighs** and **butter beans** into the **sauce**. **TIP:** Notice a stronger smell from your chicken? Don't worry, this is normal due to packaging we use to keep it fresh.
Once boiling, lower the heat to medium, add the **chicken thighs** and **butter beans**. Cover with a lid.
Simmer until the **chicken** is cooked, 15-20 mins, stirring halfway.
IMPORTANT: Wash your hands and equipment after handling raw chicken and its packaging. It's cooked when no longer pink in the middle.

Finishing Touches

Meanwhile, finely chop the **chives** (use scissors if easier).
Once the **chicken** is cooked, using two forks, shred it into small pieces. Stir through the **cheese** until melted.
Taste and season with **salt** and **pepper** if needed. Add a splash of **water** if it's a little thick.

Serve Up

Share the **chicken, leek and mushroom one pot** between your bowls.
Sprinkle over the **chives** to finish.

Enjoy your meal!
